

# WHY JOIN??

## Membership in the Catalina 36 / 375 International Association

Why join the C36/375 IA?

The Catalina 36/375 International Association works to keep our C36 and C375s sailing with fewer problems, sailing safely, and to maintain higher resale prices for C36/375 owners. Considering the small cost of membership, the C36/375 IA may be the best sailing investment any Catalina 36/375 owner can make. Here's just some of what we can offer you:

- **Dynamic website** filled with useful content, owner registration and membership contacts, photo albums, email list with archive, and the list goes on. Visit today [www.c36ia.com](http://www.c36ia.com)
- Access to the members only **Reference Section** on the C36/375 website.
- **TechNotes CD** contains over 20 years of Tech Notes articles, manuals for the Mark I and Mark II models, manuals from over 30 different manufacturers and it's all FULLY SEARCHABLE.
- **Tom's Tool Box** -- loaning job specific tools FREE to members.
- **Ships Store** -- member discounts and exclusive items from many vendors
- **Classified** section on the website -- Free postings
- **C36/375 Fleets** -- with 16 fleets worldwide and growing. More than any other Catalina Association
- **"Mainsheet"** Catalina's quarterly magazine written by and for Catalina Owners.
- **JibSheet** - an e-newsletter exclusively for owners.
- **Members Forum** - discussion of topics you decide on.

**\*Membership Options\***

**Full Memberships:** includes subscription to Mainsheet Magazine

1. U.S \$30 USD
2. Canada/Mexico \$35 USD
3. Other countries \$40 USD

**Supporting Memberships:** Same membership rights/privileges **without** Mainsheet subscription.

*No doubt about it -- the C36/375 IA is a MUST for all owners. With 2305 C36s built, the C36/375IA represents owners of a staggering \$220 million + worth of yachts. Now with the C375 growing in popularity, the reasons for membership keep growing. Every member is important to the future of the Association, and a strong owner's association is important to each of us.*
